### **POLICY**

#### **1. School profile**

Newlyn Primary School is a small yet vibrant rural school located in the picturesque farming community of Newlyn.

At Newlyn Primary School we are committed to providing the best educational outcomes for all

students. Our size gives us the ability to nurture every child as an individual, and children develop lifelong friendships as they learn together in a fun and stimulating environment. Our individualisation of student learning is second to none.

We provide wonderful facilities with plenty of open space including well-appointed playground areas, vegetable garden, oval and library. Together we look after and maintain our school so that it reflects the pride that we feel in our community.

At Newlyn Primary School, we look forward to working with families to ensure all children reach their full potential.

Our school grounds back onto farmland, and we are surrounded by a supportive community.

Our school is culturally diverse with a percentage of families having a language background other than English (LOTE). The school also has strong representation from the Koorie community. We are proud of our diversity and inclusive school community.
